CHORUS.

The sab - bath day, oh joy - ous rest, From toil it sets us free ; The

saints of God are tru - ly blest Who sing this ju - bi - lee.

From all the labors of the week,
Which we are called to do;
We'll rest and on the Sabbath meet,
To learn the Gospel true. Cho.

As children of the Saints of God,
We'll follow wisdom's ways;
We'll keep the path our fathers trod,
And sing the Savior's praise. Cho,

Hail! glorious Sabbath, welcome day,
Thou type of Heav'nly rest;
For those who learn the better way,
And are forever blest. Cho.
